WHAT SETS US APART

- Comprehensive Utility Solutions and Generation Offerings
- Exceptional Customer Service
- Trusted Industry Expertise

Speaking of ENDVR Energy

Our Name

We're proud of our company and want to ensure it's always represented accurately. Please refer to us only as ENDVR Energy, not just ENDVR.

Short Description

As a trusted Ontario energy partner, ENDVR Energy delivers smart, reliable, and efficient energy solutions that power homes, businesses, utilities, and communities.

ENDVR Energy Boilerplate

ENDVR Energy, a subsidiary of Milton Hydro Holdings Inc., is dedicated to delivering innovative, end-to-end solutions that drive sustainability and efficiency across the energy sector. Serving local distribution companies and their partners, we provide comprehensive services spanning design, engineering, construction, installation, inspections, and field services.

From smart meter deployment and EV accessibility to clean energy generation and infrastructure upgrades, our collaborative leadership and commitment to innovation empowers our customers and communities to achieve a sustainable, electrified future.
